ABOUT FBS

FISAT Business School (FBS), the management division of the Federal Institute of Science and Technology, stands as a premier centre for excellence in management education in Kerala. Established with the vision of nurturing future leaders, FBS offers a full-time MBA programme approved by the AICTE and affiliated with APJ Abdul Kalam Technological University (KTU). The programme is designed with a unique blend of academic rigour, industry orientation, and holistic development to mould competent professionals who can excel in the global business environment.

With specialisations in Finance, Marketing, Human Resource Management, and Operations, the MBA programme provides students with both strong theoretical foundations and practical exposure. FBS is committed to experiential learning through case studies, live projects, internships, industrial visits (including international industrial visits), and regular interactions with industry experts.

The school fosters innovation, entrepreneurship, leadership, and social responsibility among students, aligning with its motto of “Focus on Excellence.” It boasts state-of-the-art infrastructure, a dedicated team of highly qualified faculty, and strong industry linkages that ensure academic and professional success for its students. Over the years, FBS has built an excellent track record in placements, research, and corporate interface, making it a preferred destination for management aspirants.

To create a world class management institute with focus on excellence, shaping committed global managers to meet the demands of business and industry.

WHY FISAT

FISAT, established by the Federal Bank Officers' Association, has emerged as a centre of excellence in professional education. With a perfect blend of academic rigor, industry-aligned training, and holistic development, FISAT equips students to excel in a dynamic corporate world. Its consistent placement success, vibrant campus life, and strong value system make it a preferred destination for aspiring professionals.

To nurture and develop young entrants into world class executives capable of managing changes and dealing with challenges, through innovative learning programs and regular skill development activities.

CHAIRMAN'S MESSAGE

“Building a tomorrow that focuses on excellence”
-Mr Shimith P R

We are always committed to strengthening our reputation by building upon tradition and encouraging innovation, and above all by ensuring the professional success of our graduates. We strive to be worthy of the overwhelming trust and goodwill reposed in us by our students and parents.

We nurture our students to 'unlock their minds' from the conditional attitudes and 'unleash their powers' to take part in the unique FISAT experience. FISAT Business School is always bound to embed a global mindset and orientation in our course curriculum, outreach programs, and other activities that allow our students to make a beneficial impact on the world.

PRINCIPAL'S MESSAGE

“Empowering the youth to think beyond classrooms”

- Dr Jacob Thomas V

“

Dear Recruiters and Industry Partners,

Welcome to the FISAT Business School (FBS). As the Principal of FISAT, it is my pleasure to introduce you to our talented and dynamic students who are well-prepared to meet the demands of the ever-evolving business world. Our rigorous academic curriculum, combined with experiential learning opportunities, equips our students with the competencies required to excel in diverse professional environments. I invite you to explore the profiles of our students and discover the potential they hold to contribute to your esteemed organizations. We look forward to building lasting partnerships with you and facilitating the growth and success of our students and your companies. Thank you for considering FISAT Business School as a source of your future leaders.

DIRECTOR'S MESSAGE

“The FBS experience transforms students into agile, ethical, and industry-ready leaders

-Dr Elizabeth George

”

It gives me great pleasure to present the talented batch of 2024-26 from FISAT Business School, ready to take on today's dynamic corporate landscape. At FBS, we focus on nurturing future-ready professionals through a balanced approach of academic excellence, critical thinking, ethical values, and practical exposure. Our students are groomed through case studies, industry-relevant training, guest lectures, and real-world challenges. They represent a blend of knowledge, skill, and drive to succeed. I invite you to explore their profiles and witness the potential they bring to your esteemed organization. We value our corporate partnerships and look forward to long-term, mutually rewarding associations.

INTERNATIONAL IMMERSION PROGRAM

FISAT Business School offers its second-year MBA students an International Industrial Visit, combining exposure to leading global industries with academic interactions at reputed international universities. This unique blend allows students to understand global business practices, engage with industry leaders, and participate in knowledge-sharing sessions with faculty and peers abroad. The experience not only broadens their perspective on international markets and cross-cultural management but also strengthens their academic and professional readiness to excel in a globally competitive environment.

PAST RECRUITERS

PLACEMENT COMMITTEE

The Placement Committee at FISAT Business School is a dynamic student-driven body that acts as a bridge between the corporate world and the campus. The committee is responsible for coordinating recruitment activities, maintaining industry relations, and ensuring a seamless placement process for both recruiters and students. It organizes pre-placement talks, industry interactions, skill development sessions, and mock interviews to prepare students for corporate expectations. By actively engaging with leading organizations and fostering strong industry connections, the Placement Committee plays a pivotal role in shaping the career pathways of FISAT MBA graduates.
